

Manufacturer's Certification Statement

For the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010

January 1, 2011

Mark Delgado, President, CEO

Advanced Technology, Inc.

Regarding: Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010

Product Type: Insulation

The products listed below are eligible building envelope components when installed according to our installation instructions and installed to meet the minimum requirements of the 2009 International Energy Conservation Code U Factor. These items qualify as part of the energy saving system and meet the requirements for the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010, allowing a credit of 10% of the cost up \$500 through the IRS if placed in service from January 1, 2011 through December 31, 2011.

Energy "Q"™ Radiant Barrier solid, perforated, and double bubble

Under the penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
